

Which TOEFL Course Should You Take?

您適合哪一個托福課程?

TOEFL Strategy

Most students should plan on spending two months for their total TOEFL preparation. In our classes, you will focus on techniques and strategies to improve your scores in the Speaking, Listening, Reading, and Writing sections of the test. There are four full-length, computerized tests available to monitor and track your progress.

大部份的學生需要花兩個月的時間來準備他們的托福考試。我們的課程著重於提升口說、寫作、聽力、閱讀的技巧。課程中安排四次的電腦模擬測驗可以用來評估並追蹤學生的進步狀況。

Weekend TOEFL

We realize that most people are busy during the week, so spend your weekends with us preparing for the TOEFL.

Classes meet once a week and the course lasts longer than our other TOEFL options.

我們了解大部份的學生平常非常的忙碌，所以您可以利用您週末的時間來和我們一起準備托福考試。此課程每週上一次課且比起其它的托福課程為期更長。

TOEFL Intensive

Short on time? Our TOEFL Intensive course covers the strategies for all four sections of the test in under a month. The pace is faster than our Strategy course so students must average a 70 or higher on our pre-test* (or 70 or higher on an official TOEFL) in order to register for this course. There are three full-length, computerized tests available to monitor and track your progress.

苦於時間急迫嗎？我們托福密集課程將會在一個月內完成聽力、口說、閱讀、寫作四個部份。課程的進度相對於策略班級比起來速度較快，所以學生分級考試必需到70分或以上(或托福正式考試成績達70分以上)才能報名此課程。此課程包含三次的電腦模擬測驗，用來評估並追蹤您的成績進步狀況。
