<b>Penalty for wrong answer</b>	Yes	No	No	Yes	Yes
<b>Score Range</b>	600-2400	1-36	0-120	0-800	1-5
<b>Who needs to take it?</b>	Most students applying to a college or university in the U.S. need to take either the SAT or the ACT.	Most students applying to a college or university in the U.S. need to take either the SAT or the ACT.	The general rule is any non-native speaker who has less than two years of instruction in English needs to take the TOEFL.	Check individual schools for requirements	Not required for admissions but students who score well on AP exams can earn college credit.
			Check individual schools for additional requirements.	Even if a school doesn't require subject tests, students should still consider taking them since they look great on applications.	
<b>When is it administered in Taiwan?</b>	Six times a year	Five times a year	Once or twice a week, depending on location	Six times a year	Two weeks in May; check the website for specific dates
<b>How much does it cost?</b>	US\$43	US\$30	US\$150	US\$20 basic registration fee US\$20 per listening test US\$8 per test	US\$84 per test
